About the B.Ed Program

Our Bachelor of Education (B.Ed) program is designed for aspiring educators who are passionate about shaping the future of our society through teaching and learning. With a strong focus on pedagogy, educational psychology, curriculum development, and classroom management, our B.Ed program equips students with the necessary knowledge and skills to become effective and inspiring educators.

Why Choose Our B.Ed Program?

- 1. Experienced Faculty:** Our faculty members are seasoned educators with extensive experience in the field of teaching and educational research. They are committed to providing you with the best possible guidance throughout your B.Ed journey.
- 2. Practical Training:** We believe that hands-on experience is crucial for becoming a successful teacher. Our B.Ed program includes practical training opportunities, such as classroom observations, teaching practicums, and community engagement, to ensure you develop real-world teaching skills.
- 3. Comprehensive Curriculum:** Our carefully crafted curriculum covers a wide range of subjects, including educational theories, child development, assessment methods, inclusive education, and educational technology. This diverse coursework enables you to be well-rounded and adaptable in various teaching settings.
- 4. Supportive Learning Environment:** We promote a collaborative and inclusive learning environment, where students can engage in peer discussions, group projects, and other interactive activities that enhance their teaching capabilities.

What We Offer

A close-up photograph of a person's hands writing on a notepad with a yellow pencil. A silver laptop is open next to the notepad. The person is wearing a grey patterned blazer. The background is dark and out of focus.

Academic Advising

Guidance from experienced academic advisors who assist in course selection and career planning.

A man in a grey suit is sitting at a conference table, looking towards a group of people. He has his hand to his chin in a thoughtful pose. In the background, several other people are seated at the table, some looking at laptops. The room has large windows and modern decor.

Counseling Services

Professional counselors who provide support and guidance on personal and academic challenges.

A group of diverse young adults are standing together in a modern, brightly lit hallway or lounge area. They are all smiling and appear to be engaged in a conversation. The group includes men and women of various ethnicities. Large windows are visible in the background.

Career Development

Workshops and resources to help students prepare for job interviews, build their resumes, and explore career options.

About the Tamil Nadu Teachers Education University

Tamil Nadu Teachers Education University is a state university located in Chennai, Tamil Nadu, specializing in teachers' education. As of 2012, 665 colleges that are offering Bachelor of Education (B.Ed.) degree courses, are affiliated with the university. Some of these affiliated colleges are also offering Master of Education (M.Ed.) degree courses also.

The Government of Tamil Nadu enacted Act No.33 of 2008 to provide for the establishment and incorporation of a Teacher's Education University in the State of Tamil Nadu for promoting excellence in teachers' education and as a division of the Tamil Nadu Education Council. Further, the Act came into effect on 1 July 2008 by a Gazette Notification issued in G.O.M.S.256, Higher Education (K2) Department, dated 25.6.2008.

The Vice-chancellor post of the university is Prof.S.Thangasamy, and Dr.S.Kalaichelvan is the present Registrar and Controller of the Examinations
